

Quality Management Statement

Laser Lines Ltd is committed to ensure that the Company supplies goods and services that conform to the customer's requirements.

This Quality Management Statement is implemented through the clear understanding by all personnel of the various elements of that policy and the procedures that need to be followed to achieve it. By a continual program of internal audits, management reviews of the Quality System and where appropriate documented improvements, we will aim to exceed customer requirements.

The documentation that supports the Quality Management Statement is written in accordance with ISO 9001:2015.
